TERMS OF REFERENCE

Supply and delivery of agricultural inputs (Seeds and Pesticides) and Fertilizers

IMBARAGA Farmers Organization is a Rwandan non-governmental organization established in 1992 by local farmers. Its core mission is to support the transformation of agriculture from traditional practices to a more professional, profitable, and socially impactful sector. IMBARAGA aims to make agriculture a viable economic activity that significantly contributes to improving the livelihoods and welfare of farmers. The organization's mission is to increase farmers' professionalism through capacity building for enhanced productivity and competitiveness, while also protecting their social and economic rights through lobbying and advocacy. IMBARAGA envisions a professional farmer who is a change maker, driving both economic development and social transformation within the community.

Within this framework, IMBARAGA is implementing the Youth Entrepreneurship in Agriculture in Rwanda (YEA-R) Program. The program supports youth-led agribusiness initiatives through targeted interventions, including access to productive assets, technical support, and market-oriented value chains.

In line with the objectives of the YEA-R Program, IMBARAGA Farmers Organization hereby invites eligible and qualified suppliers to submit bids for the supply and delivery supply and deliver agricultural inputs (seeds), Foliar Fertilizer and Pesticides and Organic Fertilizer, Chemical Fertilizer (NPK, DAP and Urea), CAN, Kcl and Lime to youth groups engaged in horticulture activities, in accordance with the technical specifications and requirements outlined in this Terms of Reference.
